Subject: Fwd: EPA follow up to July 17, 2014 letter re CA Class II UIC program

This letter provides a short summary of CA's progress in correcting deficiencies in its class II oil and gas UIC primacy program, and our more specific direction for the path forward.

We plan to share the letter with Congressman McCarthy's office and offer to provide him or his staff an update. Our OPA will coordinate with Travis and OCIR. I mentioned to Peter last week that we are also setting up a briefing for all of you in early 2015.

We are planning to join the state in a meeting with oil and gas industry leaders on January 13 in Bakersfield.
